Dear Bob,

Thank you very much for the outstanding Keynote presentation you delivered at our inaugural FREE Business Trade Show. Everyone enjoyed the topic you spoke about ... the Power of People. It made everyone remember, and reflect on the importance of each person in our Agency, and how they each contribute to our shared vision and success. Your use of HOPE acronyms was interesting and entertaining – they reinforced your message and were well-received. You are an enthusiastic and engaging speaker who knows how to capture an audience's attention and hold it.

We look forward to working with you again in the future.

Sincerely,

Andrew Cohen
